

Inspirational Speaker & Lecturer

Speaking

Reanae is a powerful inspirational speaker who uses her life's experiences to help others. She gives her many testimonies of transformation to show that it is never too late to transform your life. She will share with her own transformative journey to a internationally renowned performing artist, award winning playwright, and inspirational speaker. Her audiences receive tools for self-empowerment. Reanae's ability to convey the beauty of faith in your dreams makes her a highly sought after speaker.

Reanae does inspirational speaking by topic when requested. Her favorite topics are:

- Women's Empowerment
- Women as Entrepreneurs
- Divine Purpose
- Meeting the Challenges in the Coming 21st Century
- Woman as Creative Artist
- You Have the Power to Change Your Life
- Loving Ourselves Back to Life

Lectures

Challenging A Violent Culture

This lecture explores the violence against women and people of color. It will go into the oppressive mechanisms in the society that make the violence against these groups possible and acceptable.

Faces of Violence

This lecture explores gender and racial apartheid of women all over the world. It examines domestic violence, honor killings, genital mutilation, rape, slave trafficking, etc. It gives voice to Global women's issues. It is informative and empowering.

The Women Gathered

This lecture gives voice to powerful diverse women from around the world. It is empowering as it tells their stories and gives beauty to who they are. Great lecture for Women's Herstory Month and International Women's week.
